

MP SAFE K

2 – 0 – 21 + VM3

Plant safe summer stress and sodium management

5 UNIQUE FEATURES

- Plant available chelated potassium citrate
- Contains beneficial biology, amino acids, humates and kelp
- Optimal leaf absorption and soil stability
- Enhance the plants ability to cope with the combination of summer stress, disease tolerance and wear tolerance
- Supports transpiration and plant health to offset sodium in recycled irrigation water

THE FUNCTIONS OF MP SAFE K FERTILISER

- Delivers high potassium in a safe, plant recognisable form
- Increase in microbial activity
- Assists in the recovery from environmental stress

20 L

SHAKE WELL BEFORE USE

Soil Stable Potassium plus VM3

MP SAFE K delivers potassium to turf primarily in a chelated citrate form that will not cause leaf burn or damage soil micro-biology. MP SAFE K contains VM3, a proprietary organic technology that enhances nutrient availability, longevity and compatibility for better turf performance. VM3 is a product of fermentation that incorporates several beneficial bacteria, trace minerals and plant stimulants.

DIRECTIONS FOR USE

Contains amino acids, humates and kelp.

SITUATION	RATE/HA	COMMENTS
Foliar application: Greens, fairways and all sports and amenity turf	20-40 L	Apply in a minimum of 350 L/ha of water

Read the entire label before use.

NUTRIENT ANALYSIS

Total Nitrogen (N)	2%
2% as ammonium acetate	
Total Phosphorus (P)	0%
Total Potassium (K)	21%

STATEMENT OF CONTENTS

This product contains a minimum of 2% Nitrogen, 21% Potassium, beneficial biology, trace minerals and Molasses.

SAFETY DIRECTIONS

KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Do not inhale. May cause irritation of eyes, nose, throat and skin. In case of contact with eyes, flush with plenty of water, get medical attention.

CAUTION

Information concerning the raw materials composing this product can be obtained by writing to the Guarantor listed below and referring to the item number found on this container.

STORAGE AND USE

Store in clean, dry place. Do not leave unused product in sprayers. Store in a protected place. Thoroughly clean containers prior to disposal.

WARRANTY & DISCLAIMER

Buyer assumes all responsibility for safety and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond seller's control. In no case shall the seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.
